AN ACT

GRANTING A LEGISLATIVE FRANCHISE TO CAMARINES SUR I ELECTRIC COOPERATIVE, INC. (CASURECO I) TO CONSTRUCT, INSTALL, ESTABLISH, OPERATE, OWN, MANAGE AND MAINTAIN A DISTRIBUTION SYSTEM FOR THE CONVEYANCE OF ELECTRIC POWER TO THE END-USERS IN THE MUNICIPALITIES OF LIBMANAN, CABUSAO, SIPOCOT, RAGAY, LUPI, PAMPLONA, PASACAO, SAN FERNANDO, GAINZA AND CAMALIGAN, PROVINCE OF CAMARINES SUR

Be it enacted by the Senate and the House of Representatives of the Philippines in Congress assembled:

SECTION 1. *Nature and Scope of Franchise.* – Subject to the provisions of the Constitution and applicable laws, rules and regulations, there is hereby granted to Camarines Sur I Electric Cooperative, Inc. (CASURECO I) hereunder referred to as the Grantee, its successors or assignees, a franchise to construct, install, establish, operate, own, manage and maintain in the public interest and for commercial purposes, a distribution system for the conveyance of electric power to the end-users in the Municipalities of Libmanan, Cabusao, Sipocot, Ragay, Lupi, Pamplona, Pasacao, San Fernando, Gainza and Camaligan, Province of Camarines Sur.

As used in this Act, “distribution system” refers to the system of wires and associated facilities including subtransmission lines belonging to or used by a

1 franchised distribution utility extending between the delivery point on the national
2 transmission system or generating facility and the metering point or facility of the end-
3 user.

4
5 **SEC. 2. Manner of Operations of Facilities.** – All electric distribution facilities,
6 lines and systems for electric services installed, owned, operated, managed or
7 maintained by the Grantee, its successors or assignees, shall be operated or
8 maintained at all times in a superior manner, and it shall be the duty of the Grantee, its
9 successors or assignees, whenever required to do so by the Energy Regulatory
10 Commission (ERC), or its legal successor, or the Department of Energy, or its legal
11 successor, or the National Electrification Administration (NEA), or its legal successor, or
12 any other government agency concerned to modify, improve and change such facilities
13 or systems in such manner and to such extent as the progress in science or technology
14 and improvements or innovations in electric power services may render reasonable and
15 proper.

16
17 Whenever practicable, and for purposes of maintaining order, safety and
18 aesthetics along the highways, roads, streets, alleys, or right-of-way, the Grantee may
19 allow the use of free spaces in its poles, facilities, or right-of-way by interested parties
20 upon reasonable compensation to the Grantee considering the costs incurred to
21 accommodate and administer the use of the Grantee's facilities by such parties. The
22 ERC shall decide in case of dispute or disagreement between the parties.

23
24 **SEC. 3. Authority of the ERC and NEA.** – The Grantee shall secure from the
25 ERC or the NEA or any government agency having jurisdiction over its operations, a
26 Certificate of Public Convenience and Necessity and any other license, permit or
27 authority indispensable for the construction and operation of the electric power
28 distribution system.

29
30 **SEC. 4. Excavation and Restoration Works.** – For the purpose of erecting and
31 maintaining the poles or other supports for said facilities, wires or other conductors or
32 for the purpose of laying and maintaining said facilities, wires, cables or other
33 conductors, it shall be lawful for the Grantee, its successors or assignees, with the prior
34 approval of the Department of Public Works and Highways (DPWH) or the local
35 government unit (LGU) concerned, as may be appropriate, to make excavations or lay
36 conduits in any of the public places, highways, roads, streets, lanes, alleys, avenues,
37 sidewalks, or bridges of the province, cities or municipalities: *Provided, however,* That a
38 public place, highway, road, street, lane, alley, avenue, sidewalk, or bridge disturbed,
39 altered, or changed by reason of erection of poles or other supports or the underground
40 laying of wires, other conductors or conduits, shall be repaired and replaced in efficient
41 manner by the Grantee, its successors or assignees, in accordance with the standards
42 set by the DPWH or the LGU concerned. Should the Grantee, its successors or
43 assignees, after the ten (10)-day notice from the grant of authority, fail, refuse or neglect
44 to repair or replace any part of public place, highway, road, street, lane, alley, avenue,
45 sidewalk, or bridge altered, changed, or disturbed by the said Grantee, its successors or
46 assignees, then the DPWH or the LGU concerned shall have the right to have the same
47 repaired and replaced in good order and condition and charge the Grantee, its

1 successors or assignees, double the amount of the cost and expenses for such repair
2 or replacement.

3
4 **SEC. 5. Responsibility to the Public.** – The Grantee shall supply electricity to
5 its captive market in the least costly manner. In the interest of the public good and as far
6 as feasible and whenever required by the ERC, the Grantee shall modify, improve, or
7 change its facilities, poles, lines, systems, and equipment for the purpose of providing
8 efficient and reliable service and reduced electricity costs. The Grantee shall charge
9 reasonable and just power rates for its services to all types of consumers within its
10 franchised areas in order that businesses and industries shall be able to compete.

11
12 The Grantee shall have the obligation to provide open and non-discriminatory
13 access to its distribution system and services for any end-user within its franchise area
14 consistent with Republic Act (RA) No. 9136, otherwise known as the “Electric Power
15 Industry Reform Act of 2001”. The Grantee shall not engage in any activity that will
16 constitute an abuse of market power such as unfair trade practices, monopolistic
17 schemes, and other activities that will hinder competitiveness of businesses and
18 industries.

19
20 **SEC. 6. Rates for Services.** – The retail rates and charges for the distribution
21 of electric power by the Grantee to its end-users shall be regulated by and subject to the
22 approval of the ERC or its legal successor.

23
24 The Grantee shall identify and segregate in its electricity bill to the end-users the
25 components of the retail rate pursuant to RA 9136, unless otherwise amended. Such
26 rates charged by the Grantee to the end-users shall be made public and transparent.
27 The Grantee shall implement lifeline rate to marginalized end-users as mandated under
28 RA 9136.

29
30 **SEC. 7. Promotion of Consumer Interests.** – The Grantee herein shall
31 establish a consumer desk that shall handle consumer complaints and ensure adequate
32 promotion of consumer interests. The Grantee shall act with dispatch on all complaints
33 brought before it.

34
35 **SEC. 8. Commitment to Provide and Promote the Creation of Employment**

40 under existing labor laws, rules and regulations, and similar issuances.

41
42 **SEC. 9. Right of the Government.** – A special right is hereby reserved to the
43 President of the Philippines, in times of war, rebellion, public peril, calamity, emergency,
44 disaster or disturbance of peace and order: to temporarily take over and operate the
45 stations or facilities of the Grantee; to temporarily suspend the operation of any station
46 or facility in the interest of public safety, security, and public welfare; or to authorize the
47 temporary use and operation thereof by any agency of the government, upon due

1 compensation to the Grantee, for the use of the stations or facilities during the period
2 when these shall be so operated.

3
4 **SEC. 10. Right of Eminent Domain.** – Subject to the limitations and
5 procedures prescribed by law, the Grantee is authorized to exercise the right of eminent
6 domain insofar as it may be reasonably necessary for the efficient maintenance and
7 operation of its services. The Grantee is authorized to install and maintain its poles,
8 wires, and other facilities over and across public property, including streets, highways,
9 and other similar property of the Government of the Philippines, its branches, or any of
10 its instrumentalities. The Grantee may acquire such private property as is actually
11 necessary for the realization of the purposes for which this franchise is granted:
12 *Provided*, That proper expropriation proceedings shall have been instituted and just
13 compensation paid.

14
15 **SEC. 11. Term of Franchise.** – Unless sooner cancelled, this franchise shall be

18 continuously for two (2) years.

19
20 **SEC. 12. Warranty in Favor of the National and Local Governments.** – The
21 Grantee shall hold the national, provincial, city, and municipal governments of the

24 operation, and maintenance of the distribution system of the Grantee.

25
26 **SEC. 13. Liability for Damages.** – The Grantee shall be liable for any injury to
27 persons and damage to property arising from accidents by reason of any defective
28 construction under this franchise or of any neglect or omission to keep its poles and
29 wires in safe condition.

30
31 **SEC. 14. Sale, Lease, Transfer, Usufruct, or Assignment of Franchise.** –
32 The Grantee shall not sell, lease, transfer, grant the usufruct, or assign this franchise or
33 the rights and privileges acquired thereunder to any person, firm, company, corporation,
34 or other commercial or legal entity, or merge with any other corporation, or entity, or
35 transfer the controlling interest of the Grantee, whether as a whole or in part, and

40 transfer of the controlling interest within sixty (60) days after the completion of said
41 transaction: *Provided, further*, That any such sale, transfer, or assignment is in
42 accordance with the constitutional limitations: *Provided, furthermore*, That failure to
43 report to Congress such change of ownership shall render the franchise *ipso facto*
44 revoked: *Provided, finally*, That any person or entity to which this franchise is sold,
45 transferred, or assigned, shall be subject to the same conditions, terms, restrictions, and

8
9 **SEC. 16. Fine.** – The failure of the Grantee to submit the requisite annual report
10 to Congress shall be penalized with a fine in the amount of Five hundred pesos
11 (P500.00) per working day of non-compliance which shall be collected by the ERC. The
12 fine shall be collected separately from the reportorial penalties imposed by the ERC and
13 shall be remitted to the Bureau of the Treasury.

14
15 **SEC. 17. Equality Clause.** – Any advantage, favor, privilege, exemption, or

19 That the foregoing shall neither apply to nor affect provisions concerning territory
20 covered by the franchise, the term of the franchise or the type of service authorized by
21 the franchise: *Provided, further,* That the foregoing shall not apply to the sale, lease,
22 transfer, grant of usufruct, or assignment of legislative franchises with prior
23 congressional approval.

24
25 **SEC. 18. Applicability of Existing Laws.** – The Grantee shall comply with and
