GRANTING THE LEYTE V ELECTRIC COOPERATIVE, INC. (LEYECO V) A FRANCHISE TO CONSTRUCT, INSTALL, ESTABLISH, OPERATE, OWN, MANAGE AND MAINTAIN DISTRIBUTION SYSTEMS FOR THE CONVEYANCE OF ELECTRIC POWER TO THE END-USERS IN THE CITY OF ORMOC AND MUNICIPALITIES OF ALBUERA, KANANGA, MATAG-OB, VILLABA, PALOMPON, TABANGO, SAN ISIDRO, CALUBIAN, LEYTE, MERIDA, AND ISABEL, ALL IN THE PROVINCE OF LEYTE

Be it enacted by the Senate and the House of Representatives of the Philippines in Congress assembled:

- 1 **SECTION 1. Nature and Scope of Franchise.** – Subject to the provisions of the
2 Constitution and applicable laws, rules and regulations, there is hereby granted to Leyte
3 V Electric Cooperative, Inc. (LEYECO V), hereunder referred to as the Grantee, its
4 successors or assignees, a franchise to construct, install, establish, operate, own,
5 manage and maintain in the public interest and for commercial purposes, a distribution
6 system for the conveyance of electric power to the end-users in the City of Ormoc and
7 Municipalities of Albueria, Kananga, Matag-ob, Villaba, Palompon, Tabango, San Isidro,
8 Calubian, Leyte, Merida, and Isabel, all in the Province of Leyte.

1 As used in this Act, “distribution system” refers to the system of wires and
2 associated facilities including subtransmission lines belonging to or used by a franchised
3 distribution utility extending between the delivery point on the national transmission
4 system or generating facility and the metering point or facility of the end-user.

5 **SEC. 2. Manner of Operations of Facilities.** – All electric distribution facilities,
6 lines and systems for electric services constructed, installed, established, operated,
7 owned, managed and maintained by the Grantee, its successors or assignees, shall be
8 operated or maintained at all times in a superior manner, and it shall be the duty of the
9 Grantee, its successors or assignees, whenever required to do so by the Energy
10 Regulatory Commission (ERC), or its legal successor, or the Department of Energy, or
11 its legal successor, or the National Electrification Administration (NEA), or its legal
12 successor, or any other government agency concerned to modify, improve and change
13 such facilities or systems in such manner and to such extent as the progress in science
14 or technology and improvements or innovations in electric power services may render
15 reasonable and proper.

16 Whenever practicable, and for purposes of maintaining order, safety and
17 aesthetics along the highways, roads, streets, alleys, or right-of-way, the Grantee may
18 allow the use of free spaces in its poles, facilities, or right-of-way by interested parties
19 upon reasonable compensation to the Grantee considering the costs incurred to
20 accommodate and administer the use of the Grantee’s facilities by such parties. The ERC
21 shall decide in case of dispute or disagreement between the parties.

22 **SEC. 3. Authority of the ERC and NEA.** – The Grantee shall secure from the
23 ERC or the NEA or any government agency having jurisdiction over its operations, a
24 Certificate of Public Convenience and Necessity and any other license, permit or authority
25 indispensable for the construction and operation of the electric power distribution
26 system.

27 **SEC. 4. Excavation and Restoration Works.** – For the purpose of erecting and
28 maintaining the poles or other supports for said facilities, wires or other conductors or for
29 the purpose of laying and maintaining said facilities, wires, cables or other conductors, it
30 shall be lawful for the Grantee, its successors or assignees, with the prior approval of the
31 Department of Public Works and Highways (DPWH) or the local government unit (LGU)
32 concerned, as may be appropriate, to make excavations or lay conduits in any of the
33 public places, highways, roads, streets, lanes, alleys, avenues, sidewalks, or bridges of
34 the province, cities or municipalities: *Provided, however,* That a public place, highway,
35 road, street, lane, alley, avenue, sidewalk, or bridge disturbed, altered, or changed by
36 reason of erection of poles or other supports or the underground laying of wires, other
37 conductors or conduits, shall be repaired and replaced in efficient manner by the Grantee,
38 its successors or assignees, in accordance with the standards set by the DPWH or the
39 LGU concerned. Should the Grantee, its successors or assignees, after the ten (10)-day
40 notice to repair or replace, fail, refuse or neglect to repair or replace any part of public
41 place, highway, road, street, lane, alley, avenue, sidewalk, or bridge altered, changed, or
42 disturbed by the said Grantee, its successors or assignees, then the DPWH or the LGU
43 concerned shall have the right to have the same repaired and replaced in good order and

1 condition and charge the Grantee, its successors or assignees, double the amount of the
2 cost and expenses for such repair or replacement.

3 **SEC. 5. Responsibility to the Public.** – The Grantee shall supply electricity to
4 its captive market in the least costly manner. In the interest of the public good and as far
5 as feasible and whenever required by the ERC, the Grantee shall modify, improve, or
6 change its facilities, poles, lines, systems, and equipment for the purpose of providing
7 efficient and reliable service and reduced electricity costs. The Grantee shall charge
8 reasonable and just power rates for its services to all types of consumers within its
9 franchised areas in order that businesses and industries shall be able to compete.

10 The Grantee shall have the obligation to provide open and non-discriminatory
11 access to its distribution system and services for any end-user within its franchise area
12 consistent with Republic Act (RA) No. 9136, otherwise known as the “Electric Power
13 Industry Reform Act of 2001”. The Grantee shall not engage in any activity that will
14 constitute an abuse of market power such as unfair trade practices, monopolistic
15 schemes, and other activities that will hinder competitiveness of businesses and
16 industries.

17 **SEC. 6. Rates for Services.** – The retail rates and charges for the distribution of
18 electric power by the Grantee to its end-users shall be regulated by and subject to the
19 approval of the ERC or its legal successor.

20 The Grantee shall identify and segregate in its electricity bill to the end-users the
21 components of the retail rate pursuant to RA 9136, unless otherwise amended. Such
22 rates charged by the Grantee to the end-users shall be made public and transparent. The
23 Grantee shall implement lifeline rate to marginalized end-users as mandated under RA
24 9136.

25 **SEC. 7. Promotion of Consumer Interests.** – The Grantee herein shall establish
26 a consumer desk that shall handle consumer complaints and ensure adequate promotion
27 of consumer interests. The Grantee shall act with dispatch on all complaints brought
28 before it.

29 **SEC. 8. Commitment to Provide and Promote the Creation of Employment**
30 **Opportunities.** – The Grantee shall create employment opportunities and shall allow on-
31 the-job training in its franchise operation: *Provided*, That priority shall be accorded to the
32 residents of the place where its principal office is located: *Provided, further*, That the
33 Grantee shall comply with the applicable labor standards and allowance entitlement under
34 existing labor laws, rules and regulations, and similar issuances.

35 **SEC. 9. Right of the Government.** – A special right is hereby reserved to the
36 President of the Philippines, in times of war, rebellion, public peril, calamity, emergency,
37 disaster or disturbance of peace and order: to temporarily take over and operate the
38 stations or facilities of the Grantee; to temporarily suspend the operation of any station or
39 facility in the interest of public safety, security, and public welfare; or to authorize the
40 temporary use and operation thereof by any agency of the government, upon due
41 compensation to the Grantee, for the use of the stations or facilities during the period
42 when these shall be so operated.

1 **SEC. 10. Right of Eminent Domain.** – Subject to the limitations and procedures
2 prescribed by law, the Grantee is authorized to exercise the right of eminent domain
3 insofar as it may be reasonably necessary for the efficient maintenance and operation of
4 its services. The Grantee is authorized to install and maintain its poles, wires, and other
5 facilities over and across public property, including streets, highways, and other similar
6 property of the Government of the Philippines, its branches, or any of its instrumentalities.
7 The Grantee may acquire such private property as is actually necessary for the realization
8 of the purposes for which this franchise is granted: *Provided*, That proper expropriation
9 proceedings shall have been instituted and just compensation paid.

10 **SEC. 11. Term of Franchise.** – Unless sooner cancelled, this franchise shall be
11 in effect for a period of twenty-five (25) years from the expiration of the Grantee's previous

14 **SEC. 12. Warranty in Favor of the National and Local Governments.** – The
15 Grantee shall hold the national, provincial, city, and municipal governments of the

18 operation, and maintenance of the distribution system of the Grantee.

19 **SEC. 13. Liability for Damages.** – The Grantee shall be liable for any injury to
20 persons and damage to property arising from accidents by reason of any defective
21 construction under this franchise or of any neglect or omission to keep its poles and wires
22 in safe condition.

23 **SEC. 14. Sale, Lease, Transfer, Usufruct, or Assignment of Franchise.** – The
24 Grantee shall not sell, lease, transfer, grant the usufruct, or assign this franchise or the
25 rights and privileges acquired thereunder to any person, firm, company, corporation, or
26 other commercial or legal entity, or merge with any other corporation, or entity, or transfer
27 the controlling interest of the Grantee, whether as a whole or in part, and whether
28 simultaneously or contemporaneously, to any such person, firm, company, corporation,
29 or entity without the prior approval of the Congress: *Provided*, That Congress shall be
30 informed of any sale, lease, transfer, grant of usufruct, or assignment of franchise or the
31 rights and privileges acquired thereunder, or of the merger, or transfer of the controlling
32 interest within sixty (60) days after the completion of said transaction: *Provided, further*,
33 That any such sale, transfer, or assignment is in accordance with the constitutional
34 limitations: *Provided, furthermore*, That failure to report to Congress such change of
35 ownership shall render the franchise *ipso facto* revoked: *Provided, finally*, That any
36 person or entity to which this franchise is sold, transferred, or assigned, shall be subject
37 to the same conditions, terms, restrictions, and limitations of this Act.

38 **SEC. 15. Reportorial Requirement.** – The Grantee shall submit an annual report

41 with the terms and conditions of this franchise and on its operations on or before April 30
42 of every year during the term of this franchise. The reportorial compliance certificate

1 issued by Congress shall be required before any application for permit or certificate is
2 accepted by the ERC.

3 **SEC. 16. *Fine.*** – The failure of the Grantee to submit the requisite annual report
4 to Congress shall be penalized with a fine in the amount of Five hundred pesos (P500.00)

6 be collected separately from the reportorial penalties imposed by the ERC and shall be
7 remitted to the Bureau of the Treasury.

8 **SEC. 17. *Equality Clause.*** – Any advantage, favor, privilege, exemption, or
9 immunity granted under existing franchises, or which may hereafter be granted, upon
10 prior review and approval of Congress, shall become part of this franchise and shall be

12 the foregoing shall neither apply to nor affect provisions concerning territory covered by
13 the franchise, the term of the franchise or the type of service authorized by the franchise:
