On motion of Majority Leader Marcos, the Chair suspended the session at 3:25 p.m.

RESUMPTION OF SESSION

At 3:25 p.m., the session was resumed with Speaker Faustino "Bojie" G. Dy III presiding.

Thereupon, Majority Leader Marcos said that the Speaker will address the Body.

ADDRESS OF SPEAKER DY (F.)

Speaker Faustino "Bojie" G. Dy III initially extended his deepest condolences to the families who have been gravely affected by the series of calamities that struck the country, joined them in praying for their immediate recovery, and assured them that Congress is ready to provide immediate assistance and will continue to work with government agencies and local officials to deliver relief, fast-track rehabilitation, and ensure stronger preparedness for future disasters. He further underscored that service is not just about making laws but also about showing compassion, taking action, and providing new hope, just as there are some Members who were not present during the plenary session because they were with their constituents to attend to their needs.

With Congress' task of passing the 2026 General Appropriations Bill completed, the Speaker said that the Body could now focus on enacting other important pieces of legislation to stabilize the economy, strengthen institutions, support the immediate recovery of disaster-stricken areas, and build the people's confidence.

As he pointed out that corruption continues to hinder progress and erode public trust which, he said, is the real culprit behind every unfinished project, stalled services, and unkept promises, Speaker Dy relayed that the House plans to pass two important measures as its commitment to reform among its ranks.

First, he said, is the Independent Commission Against Infrastructure Corruption or ICI Bill, which will assist in holding individuals involved in corruption in flood control projects accountable; which passage, he believed, will not be delayed because the people have zero tolerance for corruption; and which the Body will pass before the House adjourns in December.

Second, he focused on the Anti-Dynasty Bill, which will address the issue that has long been enshrined in the Constitution, the implementation of the law against political dynasties. While he admitted that his family, like many others, has a long tradition of service to the country and that public service should not be inherited but is entrusted by the people, Speaker Dy urged his fellow legislators to push for a bill that will provide a clear and fair definition of political dynasty, true to the spirit of the Constitution, and is focused on strengthening democracy with the purpose not to hinder anyone, but to expand the opportunity for more Filipinos to serve and participate in government.

In closing, he appealed to the Members to prove that they are serious in implementing new reforms for an orderly, just, and prosperous new Philippines.

SUSPENSION OF SESSION

On motion of Majority Leader Marcos, the Chair suspended the session at 3:35 p.m.

RESUMPTION OF SESSION

ACKNOWLEDGMENT OF GUESTS

Upon the request of Rep. Roberto "Pinpin" T. Uy Jr., the Chair acknowledged the presence in the Session Hall of the guests of Rep. Leila M. De Lima.

Likewise, upon the request of Rep. Ysabel Maria J. Zamora, the Chair also acknowledged the presence in the Session Hall of the guests of the Committee on Welfare of Children from the United Nations Office of the Special Representative of the Secretary-General on Violence Against Children led by Dr. Najat Maalla M'jid, United Nations Children's Fund led by Deputy Representative Behzad Noubary, and Child Rights Network led by Executive Director Maria Aurora Quilala; as well as the guests of Rep. Elijah Rumbaoa San Fernando; and Rep. Edwin L. Cruzado, MD.

PRIVILEGE HOUR

With leave of the House, on successive motions of Representative Zamora (Y.M.), there being no objection, the Chair declared a Privilege Hour and thereafter, recognized Representative De Lima for her privilege speech.

PRIVILEGE SPEECH OF REPRESENTATIVE DE LIMA

Representative Leila de Lima raised her concern over a provision in Republic Act (R.A.) No. 12216 or the "National Housing Authority (NHA) Act," which grants NHA the power to summarily evict illegal occupants and demolish the homes of informal settler families without a judicial order. She argued that this authority contradicts the agency's core mandate to provide housing for low-income families and violates the constitutional right to due process. She emphasized that the controversial clause is not a stand-alone section as it is embedded within Section 6, subsection IV(d) of the said law, which is primarily concerned with debt collection and asset management, making the eviction power or demolition a misplaced and unrelated rider.

Further discussing the legislative history of the NHA Act, Representative De Lima contended that the provision was not part of any of the House's original bills and appears to have been carried over from the Senate version which was adopted by the House in toto. She explained that while Congress and the President acted swiftly to pass what became R.A. No. 12216 on May 29, 2025, extending the life of NHA, the law unfortunately carried over a flawed provision, and in the rush to meet legislative deadlines amid the 2025 election campaign, a technical lapse occurred which, she opined, could lead to serious injustices for poor Filipino families by threatening their homes and security.

Representative De Lima underscored that the core mandate of NHA is to provide comprehensive, affordable, and sustainable housing for underprivileged and homeless Filipinos. She maintained that granting NHA the power to carry out extrajudicial evictions contradicts its mission and is turning an agency meant to uplift the poor into one that could extrajudicially dispossess them. She further pointed out that the new law effectively undermines the requirement of judicial oversight of the "Urban Development and Housing Act" in eviction cases. She added that it is also violative of both domestic and international legal obligations that safeguard due process and human dignity.

In conclusion, Representative De Lima stressed that as she has been a consistent anti-extrajudicial killings advocate, she was also an anti-extrajudicial eviction or demolition advocate. She then called for the repeal of the provision granting eviction powers to NHA, which she described as a legislative misstep and urged the agency to refrain from implementing the law which, in spirit and intent, never meant to grant such powers.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE DE LIMA

On motion of Representative Zamora (Y.M.), there being no objection, the Body approved to refer the privilege speech of Representative De Lima to the Committee on Rules for its appropriate action.

On motion of Rep. Brian Poe, the Chair recognized Rep. Ann Matibag to avail of the Privilege Hour.

PRIVILEGE SPEECH OF REPRESENTATIVE MATIBAG

In celebration of the National Children's Month which carries the message about the growing threat of childhood overweight and obesity in the country, Representative Matibag stated that overnutrition in Filipino children has now become a new form of malnutrition as they are increasingly consuming processed and sugary foods while eating fewer fruits and vegetables. She pointed out that aggressive marketing of unhealthy food and drinks, especially online, was shaping children's choices and was harming their health. She also added that the digital space has become the new playground for children, exposing them to manipulative advertisements.

Representative Matibag stressed that the issue goes beyond health and affects children's development, families, and the nation's future. She reminded her colleagues that the right to health is a fundamental right of every child, and allowing commercial exploitation through unhealthy food marketing violates this principle. She called for the passage of a measure that would protect children from harmful food environments by restricting the marketing of unhealthy products, banning promotions in schools, requiring honest nutrition labels, and empowering regulatory bodies to enforce compliance with these rules.

She concluded with an appeal to her fellow lawmakers to act decisively, declaring that protecting children's health is a moral responsibility that ensures that every Filipino child grows up healthy, protected, and given a fair chance for a better future.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE MATIBAG

On motion of Representative Poe, there being no objection, the Body approved to refer the privilege speech of Representative Matibag to the Committee on Rules for its appropriate action.

On motion of Rep. Anna Victoria Veloso-Tuazon, the Chair recognized Rep. Renee Louise M. Co to avail of the Privilege Hour.

PRIVILEGE SPEECH OF REPRESENTATIVE CO

In observance of the National Environmental Awareness Month, Representative Co spoke about the widespread destruction and displacement caused by recent disasters in the country, emphasizing how they expose the country's continued vulnerability to climate-related calamities. She cited The Rise at Monterrazas, a luxury condominium in Cebu built on a mountainside and whose construction was approved by the government despite opposition from residents and advocacy groups due to its clear environmental risks. She argued that the controversy surrounding Monterrazas is not an isolated case but a symptom of a systemic problem where destructive development projects continue with official approval. As she opined that large-scale mining operations were also among the leading causes of deforestation and environmental degradation in the Philippines, she questioned the issuance of numerous mining permits, including one that affects the disaster-stricken Province of Nueva Vizcaya.

Representative Co emphasized that the widespread corruption in government has enabled the abuse and exploitation of the nation's land and resources. She argued that so-called "natural" disasters are, in fact, the result of capitalist ventures and their government partners who disregard environmental protection, and these disasters stem not from nature itself but from destructive policies and systemic corruption. Representative Co also noted the government's failure to comply with the Global Plastics Treaty. Hence, she stated that the commemoration of National Environmental Awareness Month should not only promote awareness of nature and the environment but also call for accountability.

She thus called for the following: (1) repeal of the "Philippine Mining Act of 1995" and its replacement with a proposed People's Mining Act that promotes a sustainable mining industry centered on people's welfare; (2) actions to address the losses and damages caused by recent calamities, the suspension of environmentally destructive projects, and the implementation of nature-based and scientifically grounded solutions to mitigate disasters; and (3) accountability of all individuals involved in corruption and other anomalous activities.

In the end, Representative Co said that in celebration of the National Students' Day on November 17 and Bonifacio Day on November 30, the people will hold accountable plunderers in government and those exploiting the environment, for stealing not only the nation's natural resources but also the future of the country's youth.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE CO

On motion of Representative Veloso-Tuazon, there being no objection, the Body approved to refer the privilege speech of Representative Co to the Committee on Rules for its appropriate action.

Thereafter, on motion of Rep. Ma. Alana Samantha Taliño Santos, the Chair recognized Rep. Sarah Jane I. Elago to avail of the Privilege Hour.

PRIVILEGE SPEECH OF REPRESENTATIVE ELAGO

In celebration of National Children's Month, Representative Elago emphasized the State's duty to promote and uphold children's rights, particularly as a signatory to the United Nations Convention on the Rights of the Child. Noting that the celebration began amid a series of typhoons, she highlighted the persistent vulnerability of Filipino children, especially in times of crisis and disaster. She observed that said vulnerability is further aggravated by corruption, such as the misuse of public funds intended for public works and flood control projects. Representative Elago also talked about the children who suffer the impacts of displacement, militarization, and online sexual abuse and exploitation.

Thus, Representative Elago stressed that the National Children's Month must serve as a call to action to collectively uphold and defend the rights and welfare of Filipino children, and to fight for justice and stand against corruption. She further urged everyone to work together toward a better future and a society that provides a decent life that is free from abuse.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE ELAGO

On motion of Representative Santos (M.A.S.), there being no objection, the Body approved to refer the privilege speech of Representative Elago to the Committee on Rules for its appropriate action.

TERMINATION OF PRIVILEGE HOUR

There being no other Members who wished to avail themselves of the Privilege Hour, on motion of Representative Santos (M.A.S.), there being no objection, the Chair terminated the Privilege Hour.

ACKNOWLEDGMENT OF GUESTS

Upon the request of Representative Roman, the Chair acknowledged the presence in the Session Hall of the guests of Rep. Marlesa "Doc Marly" Hofer-Hasim.

SUSPENSION OF SESSION

There being no other business for the day, on motion of Representative Santos (M.A.S.), there being no objection, the Chair suspended the session until three o'clock in the afternoon of Wednesday, November 12, 2025.

It was 5:14 p.m. of Tuesday, November 11, 2025.

RESUMPTION OF SESSION

At 3:00 p.m. of Wednesday, November 12, 2025, the session was resumed with Deputy Speaker Ferjenel G. Biron, MD presiding.

ACKNOWLEDGMENT OF GUESTS

Upon the request of Rep. Ysabel Maria J. Zamora, the Chair acknowledged the presence in the Session Hall of the guests of Rep. Doris E. Maniquiz; and Rep. Timothy Joseph E. Cayton.

ADOPTION OF HOUSE RESOLUTION NO. 165

Thereafter, on successive motions of Representative Zamora (Y.M.), there being no objection, the Body proceeded to the consideration of House Resolution No. 165, titled: RESOLUTION URGING THE FULL COOPERATION AND SUPPORT OF ALL CONCERNED GOVERNMENT AGENCIES, GOCCs, SUCs, AND LGUs IN ASSISTING THE INTER-AGENCY TASK FORCE CREATED UNDER ADMINISTRATIVE ORDER NO. 35 (S. 2025), TO ENSURE THE SUCCESSFUL HOSTING OF THE FIFA FUTSAL WOMEN'S WORLD CUP 2025; dispensed with the reading of the text of the Resolution without prejudice to its insertion into the Record of the House as copies thereof had been distributed to the Members; and unanimously adopted the same through *viva voce* voting.

PRIVILEGE HOUR

With leave of the House, on successive motions of Rep. Ryan S. Recto, there being no objection, the Chair declared a Privilege Hour and thereafter, recognized Rep. Brian Poe for his privilege speech.

PRIVILEGE SPEECH OF REPRESENTATIVE POE

At the outset, Representative Poe addressed the urgent and worsening impacts of climate change on the Philippines, citing the recent devastation caused by Typhoons Tino and Uwan, which claimed hundreds of lives, displaced millions, and crippled key provinces across Luzon, Visayas, and Mindanao. He emphasized that the country, being the most climate-prone in the world, can no longer rely solely on reactive disaster response but must instead strengthen climate resilience and ecosystem protection. Drawing from his studies and advocacy work and FPJ *Panday Bayanihan*'s humanitarian activities, Representative Poe underscored that preparedness, protection, and collective action rooted in *bayanihan* are essential for national survival.

As he then expressed strong support for the "30x30" global target of protecting 30 percent of land and oceans by 2030, Representative Poe commended the Department of Environment and Natural Resources (DENR), particularly its Biodiversity Management Bureau, for taking initial steps toward this goal through the Philippine Biodiversity Strategy and Action Plan 2024 to 2040. However, he lamented that only 15.51 percent of land and 1.42 percent of marine waters are currently protected, and that a comprehensive National 30x30 Roadmap has yet to be completed or institutionalized.

To address these gaps, he announced his intent to file a House Resolution urging immediate and coordinated action among DENR, local government units, indigenous communities, and other stakeholders for the completion and publication of the National 30x30 Roadmap within six months, setting clear targets, mapping priority sites, and defining governance, financing, and monitoring mechanisms. Representative Poe relayed that the Resolution will push for the: (1) rapid expansion of marine protection, particularly in biodiversity hotspots such as the Verde Island Passage, Sulu-Sulawesi Seascape, and Benham Rise; (2) empowerment of local and indigenous communities as co-guardians of forests and reefs; (3) establishment of sustainable financing through government budgets, partnerships, and innovative tools such as blue carbon credits and climate resilience bonds; (4) integration of nature-based defenses, like mangrove reforestation and watershed rehabilitation, into national adaptation plans; (5) mandating of annual progress reports to Congress; and (5) strengthening of environmental education and public participation.

In concluding his privilege speech, Representative Poe remarked that protecting 30 percent of land and sea is both a moral and practical duty to protect the nation's future. He appealed to the Body for support to institutionalize climate and biodiversity action as a legacy of unity, resilience, and foresight. He stressed that while the climate crisis is already here, the Filipino spirit and collective resolve towards wise policymaking can prevail.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE POE

On motion of Representative Recto, there being no objection, the Body approved to refer the privilege speech of Representative Poe to the Committee on Rules for its appropriate action.

Thereafter, on motion of Representative Recto, the Chair next recognized Representative Cayton for his privilege speech.

PRIVILEGE SPEECH OF REPRESENTATIVE CAYTON

Initially noting that Nueva Vizcaya sits at the headwaters of major river systems supplying irrigation, drinking water, and energy across the Cagayan Valley, Representative Cayton raised concern over DENR's issuance of an exploration permit to Woggle Corporation covering over 3,100 hectares in Dupax del Norte, Nueva Vizcaya, for gold and copper exploration. He said that the decision has alarmed residents of the affected barangays who reported inadequate consultation, lack of landowners' consent, and fears of damage to their farms, water sources, and forests. He cited a recent confrontation in Barangay Bitnong in Dupax del Norte between residents and police during the enforcement of a court order as evidence of the growing tension and the absence of genuine dialogue between the government and local communities.

Invoking the constitutional right to a balanced and healthful ecology, he called for a review of the DENR's permit issuance policy to determine whether due process, environmental safeguards, and community consent were properly observed. Also, he mentioned that he filed House Bill No. 4502, or the proposed "Nueva Vizcaya as Watershed Haven Enhanced

Protection Act," which seeks to declare all watershed areas in the province as protected zones and to limit activities that endanger agriculture and water resources. He added that the recent devastation from Typhoon Uwan underscores the importance of forests and the Sierra Madre mountain range in mitigating floods and landslides.

Representative Cayton called for transparency, consultation, and environmental justice in all government actions affecting the Province of Nueva Vizcaya's land, water, and people. In affirming the people of Nueva Vizcaya's vision of a future rooted in conservation, sustainable livelihood, and honest governance, where public funds are used for real and functioning flood control projects, he urged the speedy investigation of anomalies on flood control projects. He expressed his strong support for the creation of an independent commission empowered to investigate misuse of funds and other infrastructure corruption to ensure accountability and protection of public resources. Further, as he emphasized that people's welfare and environmental protection outweigh profits, he pointed out that safeguarding watersheds and forests is a commitment to the constitutional right of every Filipino to a balanced and healthy ecology.

In commemoration of the National Environment Month, Representative Cayton shared his continuing commitment to the rule of law and continued environmental protection in defense of the Province of Nueva Vizcaya as home, heritage, and future.

Subsequently, on motion of Representative Recto, the Chair recognized Rep. Sarah Jane I. Elago for her manifestation.

MANIFESTATION OF REPRESENTATIVE ELAGO

Expressing her full support for Representative Cayton's call to halt the destructive mining and related environmental degradation activities in Nueva Vizcaya, Representative Elago related that she, together with Reps. Renee Louise M. Co and Antonio L. Tinio, have filed a joint resolution seeking a House inquiry into the alleged illegal mining operations of Woogle Corporation in the Municipality of Dupax del Norte, Nueva Vizcaya, and the suspension of destructive mining and alleged human rights violations committed by law enforcement officers in the area.

Upon relaying her apprehension about the harassment and intimidation experienced by residents opposing the said mining operations, Representative Elago expressed her full support for a nature-based solution of reforestation to address flooding and environmental degradation. In closing, she thanked Representative Cayton for raising the issue with the Body.

REFERRAL OF PRIVILEGE SPEECH OF REPRESENTATIVE CAYTON

On motion of Representative Recto, there being no objection, the Body approved to refer the privilege speech of Representative Cayton, as well as the manifestation thereon, to the Committee on Rules for its appropriate action.

Thereafter, on further motion of Representative Recto, the Chair recognized Rep. Elijah Rumbaoa San Fernando for his privilege speech.

PRIVILEGE SPEECH OF REPRESENTATIVE SAN FERNANDO

Representative San Fernando pointed out that workers, being the true drivers of the country's economy, are being neglected in the current administration's priorities, citing the Legislative-Executive Development Advisory Council's (LEDAC) mandate to promote equitable distribution of opportunities and improve the quality of life for all Filipinos, especially the underprivileged. Invoking President Ferdinand Romualdez Marcos Jr.'s commitments of creating jobs, reducing poverty, and promoting sustainable growth, he urged the government to translate these promises into real benefits for Filipino workers. He underscored that despite the tripling of the country's gross domestic product and the near-doubling of labor productivity from 2001 to 2024, the workers' real wages have remained an illusion, with the last legislated wage hike having been implemented in 1989. He added that the current minimum wage, considering inflation, has less purchasing power than it did 36 years ago.

Furthermore, Representative San Fernando lamented the exclusion of pro-labor measures from the government's legislative agenda; emphasized that true progress requires workers' prioritization; and urged Congress to pass legislation addressing low wages, contractualization, and the protection of labor rights, particularly the right to freedom of association

under the International Labor Organization Convention No. 87, which the country ratified.

In closing, Representative San Fernando urged the administration to prioritize workers' welfare, emphasized the need to revisit current policies, and called for unity between the government and labor sectors. Specifically, he advocated revising LEDAC's priorities to include a legislated national wage increase and other pro-worker measures, and if that fails, then Congress must take the initiative to uphold workers' dignity and fulfill the promises of the law itself.

REMARKS OF THE CHAIR

In agreement with the statements of Representative San Fernando, the Chair urged Congress to enact laws for justice, not for charity.
